KINDERGARTEN ORIENTATION FOR 2010

18 October 2010

Dear Parents / Caregivers

We would like to welcome you and your family to Railway Town Public School. Our Orientation Program will look very similar to last years as a result of a meeting with parents late last term to gain insights into what they would like for their children this term in preparation for next year's big adventure. We would like to invite you to join us for the first of our orientation sessions to be held on **Tuesday 26th October** from **9.00am to 11.00am**.

The children will be greeted by our SRC members and after morning assembly will be taken to the Kindergarten room. The children will need a piece of fruit for their fruit break at 10am. During this time parents are invited to attend an information session that will be held in the library. This session for parents will provide information on general school routines and procedures and an overview of our Literacy and Numeracy programs and will take approximately 45 minutes. The information session will conclude with a tour of the school and morning tea.

The second orientation session will be held on **Tuesday 2nd November** from **9.00am to 11.00am**, the third will be held on **Tuesday 9th November** from **9.00 to 11.20am**. As the children will be at school for the entire morning session they will need to bring a piece of fruit for fruit break. The third session also includes recess so they will require a snack and a drink on that day.

The final session will be held on **Friday 19th November** from **12.45pm – 2.50pm** which will involve having lunch, a play in the playground and also attending our school assembly.

We look forward to welcoming kindergarten children into the school community and working with you and your children during their time at Railway Town Public School.

Yours faithfully

Brett Cumming
Principal

Railway Town Public school is taking enrolments for 2011 Kindergarten. Please contact the school on 8087 3008 or come into the office for any inquiries. Below are details of our Orientation Sessions.
