Absences

A change in guidelines and responsibilities of the school now means any student who has 30 unexplained absences now must be reported to the Department of Community Services. This is called Educational Neglect. Remember the school needs to know the reasons for your child's absences. A note a phone call or come in to the office is all you need. For long term illness or reoccurring sickness a Doctor's Certificate needs to be supplied. If your child is often late please think about the impact on learning this has as they may be missing key strategies to assist them.

Editorial

We welcome Mrs Rebecca Pearce this week she will be taking 1/2M for the remainder of the year leading up to the Christmas break. It is with pleasure that I can announce the successful applicant to replace Mrs Morris decided through merit selection last week. The panel selected Miss Rebecca Church and she has accepted the permanent position to commence in 2012. Miss Church is currently teaching at Burke Ward Public. She is very excited to be commencing at Railway Town in the new year.

Our final Kindergarten transition will be this Friday and from all accounts the new students have had a wonderful transition over the past weeks.

The end of year Student Reports are due to come home on the 2nd of December.

Have a great week.

TREC AFTERNOON TEA

An afternoon tea to wrap up the TREC Program and display the students artwork will be held at the school on Wednesday 30th November at 3.30pm Formal invitations will be handed out next week to parents of these students
