Practise will commence this week at school and students will also get the opportunity next Wednesday to have a final practise at the Entertainment Centre during the day. If you have a difficulty with any of the uniform please come to the office and speak to Jan and she will do her best to help out.

Editorial

Our office staff Mrs Fraser & Mrs Kuerschner are finalising the accounts for the School's financial roll over.

Mrs McCarthy and Mrs Kuerschner have completed the library stocktake a big job completed. We are also making sure all OH&S requirements are up to date. All this is taking place leading up to our School Audit. This happens at every School every two or three years or when there is a new Principal is appointed to a School.

Our classes are also busily preparing for the end of year presentation evening organised for next week.

On Friday the Year 6 students will be attending a picnic day transition activity with Broken Hill High School at the Sanderson Stadium, so all permission notes need to be returned for this. A reminder Student Reports go home on Friday.

Have a great week.

Saturday Cricket

Semi Final

Fielded 1st

Super bowling by the opening bowlers, Jake Cieslik and Liam Mckee. First change bowler was Zac Durbridge. This was backed up by great fielding from Mackenzie Chester, Jack Burke, Kingsley Hocking, Colby Stenhouse. Great out fielding from Zac Cieslik, Bryce Cieslik, Alex Gray. A highlight of the fielding was a run out with a direct hit to the Stumps by Mackenzie Chester and the catching of the whole team. The outstanding wicket keeping by Tyler Carswell was the talk of the Norm Fox Arena.

If a few decisions went our way they should have, then the score would have been less. Batting was a hard tough task with the Railway Town openers copping a barrage of questionable short pitch bowling with Troy Bright felled by a bouncer. To Troy's great credit he come back on later in the innings to nearly sneak Railway Town a win ,with a great partnership with probable man of the match Sage Hocking.

All in all a great effort and with a bit more luck Railway Town should have been in the final. Congratulations to the boys on their dedication to training, all other teams noticed the improvement in the fielding and bowling which was by far the best in the competition and in the end the Diesels would have been a legitimate winning chance.

By Mike and Janet McKee

A special thank you goes to Mike and Janet for their dedication to our cricket team. We hope next year to get more students interested in the competition to help keep this sport alive.
