Swim School Year 2-6

This year our Yr 2-6 swimming and water safety school will be held over 4 days from Monday to Wednesday 26th - 28th and on Friday 30th November. The pool is closed on Thursday the 29th. The cost will be \$28. You can start paying this off at the office. It works out around \$3 per week from Monday 17th

*September. **Money needs to be paid by no later than Friday 16th November.***

No swim school enrolments will be accepted after Thursday 15th November.

Participation in this opportunity will be dependent upon your child meeting our school's expectation of 'above the line behaviour' prior to swimming school.

IPAD WINNERS

The winners of the P & C Fete Raffle are as follows:

Congratulations go to Mr Hannan, Colby White and Mrs Maguire.

A BIG THANK YOU must also go out to all our sponsors from the community and businesses who help make the fete so successful by their generous contributions.

Recycling

Today a group of students from other primary schools came to Railway Town to meet with local media to talk about the city council having received a \$9,000 grant from Keep Australia Beautiful to establish recycling for cardboard, bottles and plastic in local primary schools for the rest of the year.

Local Mayor, Wincen Cuy, says he hopes the scheme will continue in 2013.

Mayor Cuy says it is important to encourage children to recycle their waste.

"To go to the schools I think is targeting the right areas," he said.

"Old people like myself, back in the old days we used to throw everything away.

"What we need to make sure is that the future generations have that mindset and are able to follow that mindset through on recycling."

The council is also participating in National Recycling Week this week.

Editorial

Our 2013 Kindergarten orientation has been running very successfully over the past weeks and will conclude this week with the students at the whole school assembly. Big thanks to Mrs Riley for her work organising the transition. We are still accepting enrolments for 2013.

Miss Church and Mrs McInerney have completed their training for the athletics officials course allowing them to organise and judge events in line with current rules and regulations in PSSA carnivals. Well done.

Intensive swimming is almost here thanks to all those who returned notes and money for the activity.

Our Presentation evening 4th Dec 6pm and the Yr 6 farewell will be the 13th Dec.

Wednesday night please feel free to attend the P & C meeting which commences at 7pm in the Staffroom.

Have a great week.
