Editorial

Congratulations to all the students for their efforts at the athletics carnival yesterday and especially to the award winners. Thank you to the parents and staff who assisted with the athletics carnival. The weather was our friend and helped make the day a great success with all students participating in the organised activities from Kindergarten to Year Six. A big thank you also, to the ladies in the canteen, great work all day.

Our students completed their NAPLAN assessment last week in year 3 & 5, the results will be sent to the school later in semester 2. Our semester one school student progress reports will be available at the end of this term.

We have received quite a few expressions of interest in the Mobile Preschool which is fantastic. We have placed an ad in the local paper as well.

We held our first fete meeting last week and I would like to thank the people who made it along for the first meeting. It is a huge task to organise a successful day so the more people involved to help the easier it will be. More info will follow for our fete organisation.

I will be away Thursday & Friday this week at a Principal's conference in Tibooburra. Mrs Baldwin will be acting Principal during this time.

Have a great week

CanTeen – You Can
