### PSSA Gala Days

Children chosen for the Gala Days received notes outlining details such as cost and canteen facilities at each event as well as bus costs. This weeks' Gala Day is on Friday 29<sup>th</sup> June and it will be for Netball and AFL. AFL will be held at Zinc Oval and Netball at O'Neill Netball Courts. All start at 9.45am and finish approximately 2.30pm. Parents are most welcome to come along. There will not be a canteen operating at AFL. Burke Ward will be running a barbeque on the day. Lunch orders need to be returned for Netball and they will also be running a canteen on the day. All lunches for Netball must be pre-ordered.

### INDUSTRIAL ACTION

Tomorrow will see a 24 hour Industrial action organised by the Teachers Federation across NSW. Our School will only have two class teachers and myself here, so there will be only limited supervision for the day.

Don't forget your sport uniform for the Gala Day on Friday. All wear maroon shorts and boys, long footy socks for the AFL.

## Editorial

Well done to our fantastic girls hockey teams who had a great day last Friday at the PSSA Gala day. The expert coaching of Miss Vaughan led the senior girls to overall champions. The Juniors also had a great result with equal first on the day also. The boys soccer teams had very impressive results with some very outstanding skills and exciting matches. Thanks to Mrs McInerney and Mr Ferguson for assisting on the day.

We are fortunate to have Mrs Luckie visiting us today, she is a lecturer of Teacher Education and is giving our stage 2 students some expert writing lessons here at Railway Town.

Our student progress reports have been sent home for semester one, if there are parents who wish to discuss their child's progress please contact the school to make an appointment with your teacher.

As changes are occurring in most schools across NSW with the Every School Every Student program, we too will have a couple of staff changes for next semester. Firstly, Mrs Fran Lemay will be returning to Railway Town for two and a half days per week to take on the roll as Support Teacher Learning. Fran is a very experienced teacher who has worked at Railway Town previously and is excited to be returning and we welcome her in her new role at our school. We also thank Bryce Riley for his work as a learning support officer this semester. We thank Miss Ricketts for her work as she will be working at Broken Hill Public for next semester and also Miss Prout, who worked here for one day per week and be moving to Morgan Street.

If there are any parents who wish to have the school newsletter sent home via email please drop your email address in to school. These will be held securely and only accessed by the office staff to send the newsletters electronically. We will save some paper also.

The expression of interest for the canteen supervisor's position has been placed in the paper and the position information is available for interested people. This is a trial and will be for one term to see if the position is viable and works for our school context.

Wednesday will see a 24 hour Industrial action organised by the Teachers Federation across NSW. Our School will only have two class teachers and myself here, so there will be only limited supervision for the day.

On Thursday TREC will go ahead for year 6 and on Friday the Paul Kelly Cup and Red Desert gala days will be going ahead at the Zinc ovals and O'Neill centre Netball courts.

Have a good week.
