Editorial

The primary disco last week was a lot of fun, the student behaviour was outstanding and the games and dances were very enjoyable. Thanks to the primary staff for organising this event after school.

The first term is nearly over and it has been a very successful start to the year thanks to the student cooperation and the support of our wonderful parents.

Parent-Teacher interviews have been taking place last week and also for this week. It is a great opportunity for parents and teachers to catch up and discuss student progress. I recommend these interviews as time well spent. If anyone can't make it this week please feel free to catch up with your class teacher early next term.

Please find attached a fact sheet to assist in the treatment of the head lice as from this time of the year onwards all schools encounter this issue.

The P&C AGM & April meeting is on this Thursday evening at 6:30pm. All are welcome to attend.

Our Grandparents day is on Tuesday this week from 10:30am-11am.

Term 2 will commence for students on Wed 1st May.

Have a great week.
