SRC students have shown great examples of raising responsibility in our school recently. The SRC students have music in the playground each Monday and have been packing up games at the end of each lunch. The older SRC students have been umpiring street hockey. Jack and Angus organised and ran the assembly in week 7. Well done to our SRC students for demonstrating Raised Responsibility at our school.

## School Banking Update: Redeem your tokens for a moneybox this year!

In 2014 the School Banking program will be launching a new set of exciting reward items for students to redeem their tokens for. Each reward item will continue to be valued at 10 tokens (i.e. 10 deposits) and there will be **two new** reward items for students to choose from **each** term.

With exciting new reward items on offer in 2014, please be aware that the **Dollarmites moneyboxes will no longer be available next year**. To avoid any child missing out on claiming their moneybox, please let your children know of this change and encourage them to redeem their moneybox this school year.

In an effort to ensure your child doesn't miss out, the rule of one money box per year has been removed. If your child is trying to collect the series of Dollarmite moneyboxes, they are encouraged to do so before the end of the school year. Please understand that they still need to redeem each moneybox for the required 10 tokens.
