Wheel A Thon

Great fun was had by all at our Wheel-A-Thon last week. Thank you to all the students and teachers that participated and donated. Also a big thank you to Jezabella Ortega-Minear raising \$1000 for our school. Well done!!

All cards need to be returned by Friday 30th May as we have one more prize for the fundraising amount to award.

If you have not already done so, please return all Sponsorship cards and money. Thank you.

Editorial

I would firstly like to begin by congratulating all our students and families who went to great lengths to make our Wheel-a-thon a great success.

I was amazed at the level of creative and interesting objects with wheels. Well done to everyone! Please remember to keep bringing in your sponsorship cards and money.

Stage 2 students and teachers all enjoyed their overnight stay in Kinchega National Park and by all accounts enjoyed catching up with some well earned sleep over the weekend.

All students will participate in an environmental program over the next two days. This program is sponsored by the Broken Hill Council and focusses on plants and establishing a garden.

This week I will be attending the Far West Principal's Network meeting which is being held in Menindee. During my absence Miss Church will be relieving as Principal.

On a final note, I would like to say how impressed I have been with student behaviour in Library lessons. I really look forward to teaching these lessons and the results that are produced by the students.

Healthy Ears for You ...

Breathe – Blow – Cough – Chew ... and Splish, Splosh, Have a Wash

Hearing plays an important part in children's ability to learn. Research shows that at least 15% of children aged 4-9 years will have a middle-ear infection for at least 3 months of the year and their learning will be affected during these times.

Kindergarten has taken part in the Breathe – Blow – Cough – Chew – and – Wash Program. This program teaches children correct nose-blowing as it is the best method of clearing passages to the ears and preventing the build-up of fluid and infection.

Eating two pieces of crunchy fruit every day also improves ear health and general well-being.

REMINDER

Parents need to remember that time is getting closer for payment of Year 5/6 excursion. If you have any chocolate money and raffle tickets outstanding they need to be returned.
