Engine Driver's Message

How are you going with the online parent survey? Information was sent home last Friday with details on how to log on. The information gained from this survey will assist us in future school planning as we move forward into 2016.

We are fast approaching the first of our 2016 Kindergarten Orientation sessions and I would like to encourage parents to return their child's enrolment forms as soon as possible. If you have any questions regarding these forms or the orientation sessions, do not hesitate to come and speak to us and we will be happy to assist you.

Our Silver excursion to the movies will take place this Wednesday. Congratulations to all of our students who have worked hard to achieve this important level.

On a final note, our new Super Chutters have been a great hit with both our junior and senior students. As a result of ongoing fundraising, the purchase of equipment such as this is possible. I would like to thank our school community and P&C for their continuous efforts in supporting our school.

Have a great week...
