## Engine Driver's Message

Sixteen more sleeps and only twelve school days left until the end of the term. Where did this year go? I suppose when we are so busy learning and enjoying school life, we don't really notice how quickly the days, weeks and months pass us by. Tonight we will have the opportunity to celebrate the achievements that our students have made throughout this busy year; to say thank you to our families for their ongoing support and to pat each other on the back for a job well done!

Our school certainly has a lot to feel proud of and Presentation Night will feature the best of the best as we showcase our exceptional acting talents. Miss Vaughan and her team have worked tirelessly to pull together a performance worthy of a much bigger stage. We hope that you all enjoy tonight's evening and share the immense pride we have in our students. Our school will participate in the Christmas Pageant on Saturday. Stephen Radford has kindly donated the uses of a truck for us to decorate. A note will be sent home with students providing information about our Christmas float, but I can tell you that it will follow the theme of tonight's performance.

We look forward to seeing you tonight.

**Have a great week....**
