What's On?

Wed 10th June-12th June - Stage 2 Excursion

Wed 24th June – Reports Home

Editorial

As we approach the halfway point of the term, I would like to thank our staff, students and families for the efforts and contributions you have made, ensuring that our school remains on the path to success.

Staff have been busy implementing a number of new strategies to support our school plan. Family members have been very supportive, attending school assemblies, volunteering to help in the canteen and signing up for the VIP program. Our students have consistently demonstrated "above the line behaviour" and are wearing their uniforms with pride. All of these amazing efforts make our school a dynamic and rewarding place in which to work, play and learn.

School photos have arrived and were sent home with your child today. I am sure you will agree that the company we used this year "Advanced Life", has produced a photographic memory that you and can all be proud of.

On a final note, I would like to remind parents of Stage 3 students that we will be holding an urgent meeting this afternoon in Mrs McInerney's classroom at 4:30 pm to discuss the excursion.

Have a great week...

Kerry-Sue Pascoe

Fire & Rescue NSW Open Day 2015

Fire & Rescue NSW is hosting its annual Fire Station Open Day Saturday, 30 May 2015 between 10am and 2pm. Children and their parents are invited to watch fire safety demonstrations, hop aboard our station's fire truck, hold a fire hose and chat with firefighters about what they do.

This is a fantastic opportunity for children and their parents to meet their local firefighters and with winter just around the corner, which is the worst time of the year for house fires, this is a great opportunity to learn as much as you can about home fire safety. Visit www.fire.nsw.gov.au to find your nearest 2015 Open Day participating station and join us on Saturday, 30 May 2015.

Public Notices

Healthy Ears for You ... Breathe – Blow – Cough – Chew ... and Splish, Splosh, Have a Wash

Hearing plays an important part
in children's ability to learn.
Research shows that at least
15% of children aged 4-9 years
will have a middle-ear infection
for at least 3 months of the year
and their learning will be
affected during these times.

Very soon, some classes will
start the Breathe – Blow –
Cough – Chew – and – Wash
Program. This program teaches
children correct nose-blowing as
it is the best method of clearing
passages to the ears and
preventing the build-up of fluid
and infection.

Eating two pieces of crunchy
fruit every day also improves
ear health and general well-
being.

Introducing Railway Town's very own *VIPs*

Railway Town Public School values the partnerships developed between school and home.

We are looking for parents and grandparents who are able to volunteer their time to assist with a range of activities both in and outside of the classroom.

If you are available to assist in any way as a volunteer at our school, please complete the slip below and return it to the front office.

Mrs Pascoe will be in touch with you to discuss your VIP (*very important partner*) role.

I am available to volunteer as a VIP (very important partner).
