Editorial

I would like to take this opportunity to express how proud I was of the boys and girls who represented our school on Friday at soccer and netball. The majority of our students participated in this sport for the first time on Friday, however, it didn't take them long to learn the rules and take to the soccer field and netball court as if they were experienced players. I witnessed a great deal of sportsmanship as students congratulated each other for simply making a good pass or intercepting a ball. The look on Alisha Pearce's face when she scored her first goal and the excitement from other team members when Morgan Langdon kicked the ball to another player summed up the whole gala day. Both Mrs McInerney and Mrs Small were also very impressed with our students and would like to thank all of the parents who helped out on the day.

Railway Town students always give us many reasons to feel proud of them.

On a final note, we hope that you will be able to join us at Friday's assembly to say farewell to Michelle Gilchrist (Mack).

Have a great holiday break...

Kerry-Sue Pascoe
Principal
