Editorial

This week our Stage 2 students are heading off on their excursion to Victor Harbour. I know that they are very excited about the opportunity to discover more about a variety of sea creatures including penguins and whales. We can't wait to hear about their adventures when they return and whether or not they were able to spot any whales swimming along the coast.

I am very pleased to report that our alternate Stage 3 excursion to Dubbo in Term 3 will go ahead. I would like to thank everyone for their prompt replies, ensuring that we reached the quota of numbers. A letter will be sent home to parents indicating when the initial deposit needs to be paid. This will then be followed by further information detailing the itinerary.

Congratulations to all of our Bronze Award winners. All of our students are working hard to do their best in their class and the playground and we are very proud of their efforts. The next P&C meeting will be held tomorrow night in the staffroom at 7:00pm. Everyone is welcome to attend.

Have a great week...
