Engine Driver's Message

Congratulations and thank you to all of our staff, students, parents and helpers for making our NAIDOC Day celebrations very successful. In spite of the chilly weather, everyone thoroughly enjoyed participating in the activities. The Johnny Cakes were also very popular with many students coming back for seconds, thirds and fourths! I would especially like to thank Margie for showing me the fine art of knocking out Johnny Cakes. It was great fun and I thoroughly recommend it to anyone. Students and staff are still completing their painted boomerangs which, when completed, will become part of a mural on display in our basement area.

In order for us to start planning for 2016, we would like to start collecting information about Kindergarten enrolments. We have attached a slip at the end of this newsletter for families to complete.

I am looking forward to seeing our families at the Athletics Carnival on Friday.
