The ENGINE ROOM

As the end of Term Three draws to a close I would like to take the opportunity to thank all staff, parents, relatives and students for their input into making this term such a success. We have had a huge amount of activities and without the assistance of everyone it would have been overwhelming. On Sunday the P & C are holding a working bee to put some equipment into the playground. So if you could spare a few hours that would be great. Students will benefit greatly from your effort. There will be a BBQ on the day. On Wednesday students from years 3-6 will be attending the last of the PSSA Gala days. Our Presentation Evening will be held on Monday 30th November at 6:00pm next term so make sure you save the date on your calendar. The Broken Hill City Council has sent out a notice in relation to parking at the school. It is in the newsletter, so please read it and be aware of the penalties and fines they will be imposing in future.

Finally please take the opportunity to visit the amazing Railway Town school display at the Silver City Show this weekend. Have a great holiday and I look forward to seeing you on Tuesday 6th October.

Have a great week...

Year 5/6 Excursion

A great time was had by all at the Dubbo Excursion fortunately everyone survived the night at the Zoo. Thank you to Mrs McInerney, Mr Darke and Jo for the time and effort they put in to making the excursion great and also Miss Church for her behind the scenes organisation. Pictures from the excursion are through today's newsletter.

Term 4 Highlights

BROKEN HILL CITY COUNCIL YMCA

BROKEN HILL CITY COUNCIL BULLETIN

CHILDREN'S SAFETY COMES FIRST.

Care in dropping off and picking up children is paramount. Broken Hill City Council Rangers have been monitoring school zones and remind parents/ carers of their responsibilities in ensuring children's safety. Council's Rangers have issued a number of infringement notices as motorists have failed to obey school signs and signage. Not only are the fines larger than fines outside a school zone, but demerit points also apply to certain offences within a school zone.

The most common offences detected are:

Stopping in a No Stopping Zone: A driver must not stop at all in the zone to drop off or pick up a child. **\$319** fine and **2 demerit points**.

Stopping on or near a Pedestrian Crossing: Stopping within 20 meters of the approach side and 10 meters of the departure side of a crossing is an offence, and includes stopping to let a passenger out of or into the vehicle, regardless whether someone is using the crossing. **\$425** fine and **2 demerit points**.

Stopping/Parking on a Footpath/Nature strip: It is illegal to park on a footpath or nature strip. That means it is an offence to stop or park anywhere at all between the kerb of the road and a property boundary, including a driveway. **\$177** fine and **2 demerit points**.

Stopping in a Bus Zone: It is an offence to stop in Bus Zone, which **means you cannot stop** to pick up or drop off a passenger. **\$319** fine and **2 demerit points**.

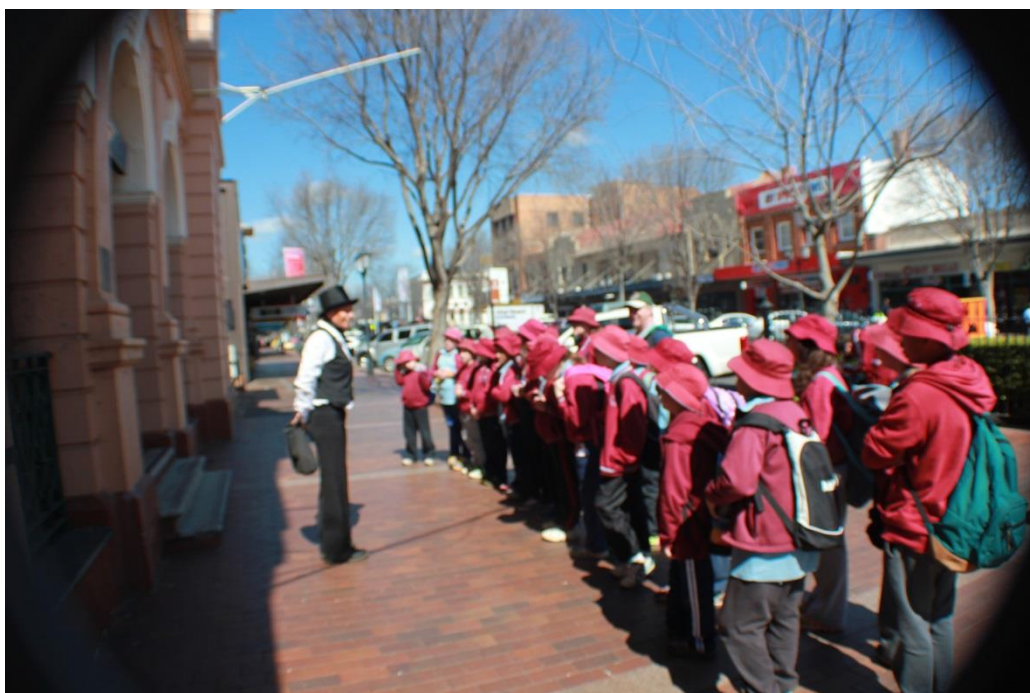

Double Parking: It is an offence to stop/park on a road to pick up or drop of a passenger, next to a vehicle that is parked at the kerb of a road. **\$319** fine and **2 demerit points**.

Stop within 10 meters of an Intersection or Junction: It is an offence to stop within 10 meters of the approach or departure side of an intersection of Junction. It could result in a **\$248** fine.

Council thanks parents for being responsible and keeping the protection of children in school areas front of mind.
