Engine Driver's Message

Last Monday evening's Presentation Night was a huge success, with many little surprises along the way for both students and parents. I would like to thank my staff once again for all of their hard work behind the scenes, ensuring that the evening ran smoothly. It was unfortunate that we had one dramatic event due to a power surge, but, as always, we picked up seamlessly from where we left off and the Junior Choir managed to sing even louder and prouder the second time around. Arliah Pearce even managed to make light of the situation, referring to their performance as "electrifying". On Thursday night the Year 6 students joined the staff for their Graduation Dinner at the Musicians Club. There were plenty of tears and laughter as the students and staff spoke about their time in primary school and the future journey to high school. Our students displayed perfect table manners and were delightful company.

We would like to wish all of our Year 6 students the very best for the last two weeks of their primary school years.

Have a great week...
