## Engine Driver's Message

The true meaning of team-work was alive and well last Thursday evening. All teaching staff and a large contingent of parent helpers turned up to help run the Barrier Swimming Carnival. We received supportive comments of positive feedback from the other schools, parents and pool staff, congratulating Railway Town on a well organised and very successful carnival. This is just another reason why we are "The Best in the West".

Last Tuesday, teachers presented an information session for parents. Although I was unable to attend all meetings, the ones which I was present at received a fabulous attendance. It is very pleasing to see so many of our parents supporting our school and their children. I would also like to acknowledge the parents and grandparents who have indicated their willingness to volunteer as helpers in their grandchild's classroom. Please remember to come into the office to sign in and out and pick up your V.I.P. lanyard to wear in class.

On a final note, Last Friday I met with our newly appointed Director of Schools, Peter Macbeth. It was a very positive way to the end the week with Peter telling me that he was very impressed with the high level of enthusiasm displayed by both students and staff. Our core value of "Be Proud" is alive and well right now!

*Have a great week...*
