Engine Driver's Message

This week I would like you to consider asking your children the following questions about their learning:

- Why does making mistakes help you to learn?
- When you try hard how does it make you feel?
- How do you feel when you learn something new for the first time?
- Can you tell me about something you found challenging at school and how you worked through it?
- Can you tell me about a mistake you made in your learning and how it made you feel?

Throughout each day of our students' learning at Railway Town Public School we are encouraging them to develop a Growth Mindset and adjust the way they think.

GROWTH MINDSET
Adjust the way you think.

On Friday the 29th July, the SRC will be holding a Stress Down Day. Stress Down Day is a fun and easy initiative to reduce stress and raise vital funds for Lifeline. The money raised will be going to local Lifeline.

Students are able to wear their pyjamas to school for a gold coin donation however students must still wear suitable footwear for the weather.

So come get your flannelette out and have a calm day!
